

Girl Scout Early Renewal Incentives

for Troops | 2024 – 2025

April 1 – September 30, 2024

Who's eligible?

Any member or troop with a 2023-2024 membership can renew for the 2024-2025 Girl Scout year.

Why renew now?

It's easy and fast!

Parents, troops, and volunteers can easily renew membership for themselves or their girl(s) online via myGS using a debit or credit card.

How do we pay for our troop to renew?

Many troops choose to use troop funds to register members of the troop (volunteers and girls). Troop funds should be used to sustain the troop and membership registration is a necessity of operating and participating in the troop, so this is an ideal way to use troop funds. Please note that a girl cannot be denied participation due to a family's inability to pay and troop funds should be used to purchase membership for these girls.

What about financial assistance?

Requests for financial assistance may be made by the girl's parent, caregiver or troop leader via their myGS account. Any existing troop funds should be used before requesting financial assistance for any member.

For renewal assistance or questions, contact customer care at
(213) 213-0123 or customercare@girlscoutsla.org.
