

Gold Award Final Report Attachments

FINAL REPORT ATTACHMENTS CHECKLIST

Please remember that only **TYPED** materials may be submitted. No handwritten content, except for signatures, will be accepted.

Only complete Gold Award Final Reports may be submitted for review. Remember that a complete Final Report is your Go Gold Online Steps 6-7 as well as the following Final Report Attachments, which should be uploaded to Go Gold Online or sent directly to your region's staff liaison.

Please double-check your Final Report Attachments to confirm that you have fully completed all required documents, which include:

- Final Report Signatures
- Letter from Community Partner

FINAL REPORT SIGNATURES

This signatures page is to be printed, completed by hand, scanned, and attached to your Go Gold Online Final Report along with the other documents in the GSGLA Final Report Attachments. If you have any questions, please contact your local Staff Liaison.

I hereby certify that I put in at least 80 hours of my own time in designing and facilitating my Gold Award project, during which I followed the Girl Scouts of Greater Los Angeles rules and regulations and abided by the Girl Scout Promise and Law.

Girl Signature

I hereby certify that I have reviewed (Girl Name) _____'s
Gold Award Final Report.

Troop Leader/Mentor name printed

Troop Leader/Mentor Signature

GUIDELINES: COMMUNITY PARTNER LETTER OF: SUPPORT

Please remember that only **TYPED** materials may be submitted. No handwritten content, except for signatures, will be accepted.

A letter of recognition from your community partner must accompany your Gold Award Final Report. It must be on the community partner's letterhead and should describe the results of your project. An original hand-written signature must also be on the letter. Below is a good example of a community partner final letter.

March 26, 2017

To Whom It May Concern,

I would like to take this opportunity to thank _____ for her outstanding contribution to Harbor City Elementary School. _____ organized a robotics team with our 5th grade students and they participated in their first Lego League Tournament. Ms. _____ was interested in introducing robotics to minority students and to girls in particular because they are often underrepresented in STEM fields. Students were able to get hands on experience with engineering, programing, and were able to build a mini robot. _____ worked with the students after school on Fridays to get them ready for their first Lego League Competition. The 5th grade students were also able to take a field trip to South High School organized by _____ where they toured the robotics lab and were able to speak to high school students on the robotics team. This was a fantastic experience for our students and any of them are looking forward to working with Ms. _____ in the future!

I am so excited that _____ will be receiving her Gold award. I wish her the best!

If you have any questions do not hesitate to call me at (310) 326-5075
